

USA CAPITOL

*Inspiring Educational
Environments*

ABOUT US

USACapitol is a Texas-based, family-owned business founded in 1986. Our mission has always been dedicated to creating inspiring environments with high-quality educational furniture, all proudly made in the USA. With every order, we focus on speedy delivery, environmental responsibility, and contributing to our nation's progress, using almost entirely regional and domestic materials.

SUSTAINABILITY

Our commitment to sustainability is evident in every step we take to preserve resources, minimize waste, lower emissions, and reduce our environmental impact. At USACapitol, we prioritize domestic production, ensuring our manufacturing stays close to home and aligned with responsible environmental practices, aiming to reduce or ideally eliminate our environmental footprint.

Available in **12 top sizes** and 3 heights for tons of customization options!

With its heavy-duty frame, our Makerspace tables are ready to support whatever you create. Equipped with 4" heavy duty locking rubber casters, and available in sitting, counter, and standing height. Our exclusive integrated wire management makes it easy to connect to floor or wall power and daisy chain tables together for a seamless setup.

TIERED DESK SET

Elevate your classroom with a Tiered Desk Set—designed for bigger classes in smaller spaces. Our Access Tiered Desks are perfect for arranging in rows or pods, ensuring every student has a clear view of the teacher. Our Stealth Tiered Desk Set works well for group activities, fitting into groups of four and offering extra desk space with its contoured base. Both desk sets are great for classrooms with limited space, as their tiered design lets you place desks closer together without blocking anyone's view of the teacher.
